## Carey, Beccar Varela and Allende & Brea in cross-border manufacturing deal

Luis Bulcao Pinheiro 07 August 2017

Argentina's [Estudio Beccar Varela \(/ll250/firms/1135165/estudio-beccar-varela\)](#) has helped Austrian wood panels company Egger acquire assets from counterpart company Masisa.

Masisa, which is headquartered in Chile, hired [Allende & Brea \(/ll250/firms/1131459/allende-brea\)](#) in Buenos Aires and [Carey \(/ll250/firms/1131531/carey\)](#) in Santiago to sell its Argentine subsidiary for US\$155million. The sale was agreed on 17 July.

The transaction is subject to regulatory approval in Argentina and is expected to close within three months.
